

directions from Perugia (Sant'Egidio) airport to Il Palazzo Sabino

Exit the airport that is very small, pass the big gate and at the junction turn right direction Perugia.

After about 500mt at the junction turn left direction Perugia. Follow the road in the country. After the narrow passage on the bridge turn right direction Perugia again.

Enter the Motorway direction Perugia and PAY ATTENTION to the car coming in the motorway at high speed, there is no lane to accelerate and enter the motorway, the junction is very dangerous.

Once on the motorway keep the right lane in the direction of CESENA E45 (there is a junction just after 500mt from the entrance so be carefull.

Once on the motorway in the direction of Cesena, you have to drive for about 50 km till the exit of SANSEPOLCRO

At the exith you will notice a big hotel on your right called Borgo Palace Hotel.

at the exit there is a roundabout and you have to turn left in direction of Arezzo

you pass a petrol station on your right called AGIP

cross the river bridge

after it you have to turn on the right in the direction of Anghiari.

Follow this straight road for 4 km, you pass a roundabout

Keep on straight .

you pass another petrol station on your left called ESSO (mind the speed camera just before the patrol station)

after 200 mt you have to turn right into a little road where the house is.

just 10 mt before it there is a little white and red sign with Anghiari (I borghi più belli d'Italia).

once you are on the little road you will see some big houses on your right and fields on your left.

Our place is the 4th and last of these houses on the right

And you will notice an owl on the little niche.
