

## Directions from Rimini airport to Il Palazzo sabino

exit the airport (very little one) and turn on the left  
follow this road (called adriatica).

the adriatica goes alongside the town of Rimini on your right  
and on your left there is the big motorway A14.

You have to get on the motorway that is very well indicated with green signs.  
the direction on the motorway is BOLOGNA.

The first entrance on the motorway is after a few kms ( 5-6 km)  
and 3 or 4 traffic lights. You pay attention there is a normally busy junction  
you have to turn LEFT

following directions for AUTOSTRADA (motorway) and also signs for the village of SAN MARINO (a  
characteristic turistic village  
that is very well indicated everywhere).

You are on the big road to SAN MARINO and after 500 mt you have to turn right at the entrance of the  
motorway.

You pass over the road to SAN MARINO and you see the paytoll of the autostrada,  
get the ticket ( you will pay at the exit) and follow directions to BOLOGNA.

follow the motorway for around 40 KMs

you get to the exits of CESENA (2 exits)  
forget the first one

you have to exit at the second called CESENA NORD (also indicated ROMA E45)

Go straight after the paytoll, the road turn on the left and after 200 mt turn right in the direction of ROME  
E45.

once you're on the motorway to Rome you have to drive for 85 km  
just to let you know you are in the right direction you will notice some exit  
like Cesena sud, Borrello, etc.

you have to cross the mountain and there are not a lot of cities on the way,

as soon as you leave the mountains behind you, you find a exit Sansepolcro nord  
you pass that one and the following one is your exit SANSEPOLCRO.  
you will notice a big hotel on your left called Borgo Palace Hotel.

at the exit you turn right in direction of arezzo

you pass a petrol station on your right called AGIP  
cross the river bridge

after it you have to turn on the right in the direction of Anghiari.

Follow this straight road for 4 km, you pass a roundabout  
Keep on straight .

you pass another petrol station on your left called ESSO  
after 200 mt you have to turn right into a little gravel road  
where the house is.

just 10 mt before it there is a little white and red sign  
with Anghiari (I borghi più belli d'Italia).

once you are on the little road you will see some big houses on your right  
and fields on your left.

Our place is the 4<sup>th</sup> and last of these houses on the right  
And you will notice an owl on the little niche.
